

The Accelerator3 capsules boost metabolism to help burn calories.*

Boost **thermogenesis and metabolism** to help **burn calories**.*

Support **healthy glucose metabolism**.*

Promote a **positive mood** and **emotional outlook**.*

Support **recovery from fatigue**.*

Support **fat oxidation** and **weight management** that includes a healthy diet and exercise program.*

Herbal Formula

To support weight management along with a healthy diet and exercise program, Accelerator3 capsules include a balanced blend of thermogenic compounds including theobromine, a compound similar to caffeine. Theobromine is recognized as one of the "feel good" ingredients in chocolate. Mannatech's Accelerator3 capsules also contain green tea, which supports fat oxidation.*
