

A Happy Gut for a Healthy Immune System

Keep Your Tummy Balanced

U.S. Product Shown

About 70% of your body's immune system is located in the digestive tract, and if your gut is out of balance, your health can suffer. That's why the six probiotic blend in **GI-ProBalance slimsticks** contains a variety of helpful bacteria that are formulated to help **support the digestive and immune systems** for a happy gut and body.

Benefits:

- Helps promote good digestion.*
- Restores balance to intestinal flora.*
- Supports and replenishes good bacteria levels.*
- Formulated to improve nutrient absorption.*
- Helps guard against digestive upsets.*
- 15 billion active, beneficial bacteria at packaging.
- 1.5 billion CFU guaranteed at time of expiration.

FUN FACT

Probiotics are microscopic life forms that help break down food and process waste. The first line of defense against harmful bacteria, they also help support proper development of the immune system. They're super important for a healthy tummy!
