Skin Rejuvenation Crème
Launch Event

Ageless Beauty Awaits

Mannatech's new Üth Skin Crème is a revolutionary anti-aging solution. Ageless beauty awaits you. Üth was recently tested in an 8 week clinical trial. Participants saw a reduction in the appearance of fine lines and wrinkles, an improvement in the evenness of the skin's tone and an improvement in the skin's firmness and elasticity.

SPECIAL LAUNCH EVENT

Join us for a special international launch event across Australia, New Zealand and Singapore, where we will reveal the secrets to ageless beauty.

Dr. Anne Marie Marynycz (Ph.D) specialises in anatomy and physiology of the skin. Anne-Marie is the National President of the Association of Professional Aestheticians of Australia. Anne Marie will discuss various active ingredients found within skin creams suitable for different skin types that keep your skin looking healthy and naturally more youthful.

Dr Martin Kassir (M.D, F.A.A.D.) is a qualified and world-renowned dermatologist and Vice President of the International Society of Dermatologists. He will explain the story behind the creation of Üth and how it is an innovation in skincare technology via video.

Bo Short, Mannatech's Presidential of Global Business and Field Development will talk about feeling empowered by Üth.
