

THERE IS NO COMPETITION TO MANNATECH'S ALOE

Exclusive ONLY to Mannatech, Manapol is a 100% non-GMO aloe vera gel powder that's harvested from the ultra-rich volcanic soil of Costa Rica for potency.

You can't get a more abundant source of Glyconutrients—or aloe—anywhere in the world.

**SIMPLY PUT, NO OTHER
COMPANY HAS:**

Higher concentration of acetalated acemannan for greater immune support.

Cutting-edge harvesting techniques that ensure the potency of the aloe remains from farm to bottle.

Premium aloe vera gel extract with a molecular weight of over one million Daltons.

Exclusive farming rights, which means the premium source of our aloe can't be purchased from anywhere else.

INNOVATORS OF
GLYCONUTRITION

“Our patented process for isolating and stabilizing acemannan makes us **the** provider of **the highest-grade aloe on the planet.**”

-Dr. Steve Nugent

We are proud to use pure, potent Manapol powder in many of our products, like Ambrotose, to boost immune and gastrointestinal benefits. And with added help from Ambrotose’s cognitive and mood enhancing perks, this is the one supplement that helps **strengthen your overall health**—from the cells up.*

Gain superior health with our exclusive Manapol and amazing Ambrotose by ordering today!*
