

The CardioBALANCE heart care formula—nourishment for every beat of your heart.*

Provides **nourishment for cardiovascular health** through vitamins, magnesium and other heart healthy ingredients.*

Helps **maintain homocysteine levels** that are already within normal range.*

Includes **folic acid and L-arginine**, which is thought to increase nitric oxide production—essential in maintaining **blood vessel health**—as well as **CoQ10**, which is often depleted by cholesterol-lowering drugs.*

Heart Care Formula

Our CardioBALANCE capsules provide a unique formula for cardiovascular health, including N-acetyl-L-cysteine, alpha-lipoic acid, L-arginine and CoQ10. They also include magnesium, which is necessary for normal protein synthesis, and folate, which is essential in maintaining blood vessel health. A daily serving of CardioBALANCE capsules also supplies 100% or more of the daily value of important nutrients such as vitamin C, and vitamin B₆ and folic acid.*
