

Jewelry Program for Mannatech's Leaders

Mannatech is pleased to present striking recognition jewelry to honor hard-working Associates as they reach ever-higher Leadership levels. These beautifully crafted designs let everyone you meet know that you are passionate about sharing wellness and building a successful business, while making a difference in the lives of others.

The collection includes Progressive Leadership pins—one each for Regional Directors through Executive Directors and one each for Presidential Directors—featuring crystal stones indicative of the level achieved. These pins are presented at Regional and National Events throughout the year.

Upon qualifying for Presidential Director status, in addition to a Presidential Progressive Leadership pin, you will be given a choice of jewelry, including a man's or lady's ring, or a man's lapel pin or lady's lapel pin/pendant, for both yourself and your spouse and/or business partner. Each piece has four diamonds, and for each new level achieved between Bronze and Gold Presidential, two more diamonds will be added. When you achieve Platinum Presidential, two more diamonds will be added, as well as a diamond in the center. Presidential jewelry orders are coordinated through Mannatech's Recognition department—simply e-mail us at recognition@mannatech.com.
